Re: Hillary Clinton for President; FEC Id. No. C00431569, April Quarterly Amended

Dear Ms. Reminsky:

This is in response to your letter requesting additional information pertaining to the above-listed report of Hillary Clinton for President (the Committee). Specifically, you have requested additional information on the reattribution, redesignation or refund of certain contributions that are so marked on this report. The Committee has reviewed the contributions noted by you and is providing the following information. An Amendment is being filed to correct or clarify aggregation, designation and attribution where needed. The Committee will also provide a response under separate cover with a copy of additional information requested by you that can be filed electronically.

For several of the contributions noted by you, the Committee timely refunded or reattributed the excessive portion of the contribution, i.e., within sixty days, and it is so reported on the Committees July Quarterly on Line 28a or as a memo entry on 17a. One case is a NSF (not sufficient funds) which correctly reported also on the July Quarterly.

In 2 cases, the Committee found data entry errors as a part of its review, cure and notification process and made the needed corrections, including refunds that were reported on our October Quarterly. Please note the Committee continues to work on review and improving our data entry.

In 7 additional cases, the Commission has confused two different contributors with the same name. The contributions from Boggs T, Cohen S, Crane D, Liu D, Morales R, Moores J, Rubin H, are contributions from are from separate individuals, at two different addresses, and with different occupations and employers.

Finally, 3 contributions noted by you were missed in our reviews and will be disclosed as refunded on the Committees Year End Report. As for these contributions, we are diligent with regards to our review and of tracking excessive contributions. Please note that the Committee has always intended to fully comply with the sixty day reattribution and redesignation provision. Strict procedures are used by the Committee to ensure that all contributions are handled in a manner in full compliance with this and all other applicable provisions.

I hope that this information is sufficient for your review. However, should you desire any additional information please contact our Counsel Eric Kleinfeld at 202-293-1177.
